PARENT TEACHER MEETING

Coming together is a beginning, keeping together is progress, and working together is success. Our desire is that your child will leave from the school not just as a passionate thinker but become a thinker with passion. Parents should ensure 100% attendance in all parent-teachers' meetings in the best interest of your child. Please do co operate with the school in ensuring an effective education for your children. This can be done by:

- Providing facilities to the students at home.
- Providing text book, note book and other requirements to your wards.
- Assisting and guiding in doing home work.
- Assisting fees as per rules and providing proper school uniforms.
